ALIMENTOS PREPARADOS NATURALES

Website : <https://www.abricome.com/en/>

Contact : Ms. Marta Herencia

ALIMENTOS PREPARADOS NATURALES, S.L. is a family company founded in 1965. From its origins, the company focuses its activity in the production of ready meals. Following, they incorporate a wide range of pates focused on as much for the national market as for the international market.

The products, both conventional and organic, are commercialized fundamentally under the trade brand "ABRICOME" (in Spanish opening and eating), with which they offer a high quality, as priority objective, which is achieved thanks to the selection in origin of natural raw materials and to an exacting production process, characteristic of the rich Mediterranean gastronomic culture.

Products are sterilized in way that they don't need refrigeration and presented a shelf life at ambient temperature of 2 years, in the case of casseroles and trays, and of 5 years in the case of cans and pates.

They also have recipes in Doy Pack format, a new line of sterilized pouches that are characterized, like the rest of products, by its conservation at ambient temperature, long shelf-life and easy usage: warm up and ready.

They produce a wide rang of ready meals products as paella, small meatballs, stew, fideua, cooked beans and lentils, cocido etc ... in bio, trays, casseroles, pates, HORECA and halal lines.

The company is looking for food distributors interested in ready meals for HORECA and supermarket channels.

BIO PASTIS, S.L.

Website : <https://www.biopastis.com>

Contact : Mr. José Serrano

BIOPASTIS business trajectory runs in parallel with the evolution of a cold pastry model created to meet the food demands of society that have arisen over the last 3 years.

During this time, BIOPASTIS has not only consolidated the design of its main product - the pastry provided for catering menu and restaurant menu- but it has launched a unique method of service and customer attention based on the "Dessert for one" model, whose flexibility allows to adapt to the specific demands of the market any of the processes involved in the production of its products, from the initial stage of design to the final phase of presentation and packaging.

The products line includes from the most typical and artisan pastry to new lines of american cakes till innovate creations requested on customer demand.

Another new line is PALMFREE products (without palm oil) and NATURA products (without artificial preservatives added).

No distributors in Balcans countries.

They are looking for distributors of frozen products, specially frozen pastry , HORECA and retail channels

QUESOS CESAR, S.L.

Website : <http://www.quesoscesar.com/>

Contact : Ms. Pilar Verbo

QUESOS CÉSAR
Queso de Oreja

QUESOS CESAR is a family company that has been making sheep cheese with fresh milk from its own livestock for more than 30 years. They are made daily with the milk that is milked on the same day, it is raw milk that has not undergone any heat treatment so that it preserves all the nutrients and benefits of fresh milk. The maturation of their cheeses is carried out in the cellar with a temperature and humidity control, obtaining cheeses with very personal flavors and aromas that give them the distinction of a gourmet product.

Their products are:

- Semi-cured artisan sheep cheese QUESO ARTESANO CESAR (3 months maturation)
- Cured artisan sheep cheese QUESO ARTESANO CESAR (8 months maturation)
- Old artisan cheese EL GRAN CESAR (more than 12 months maturation) one of the Spanish best cheeses in "Gourmet cheese Awards 2020"
